

PRE COP
 a two-day climate conference
 Preceding COP 29 in Baku
October 2-3, 2024
 Katowice, International Congress Centre

2 October 2024				
8.00 a.m. - 9:30 a.m. registration of guests				
8.15 a.m. - 9.30 a.m. ACCOMPANYING EVENT Morning with the climate – breakfast, networking, inspirations* <i>*the event is by invitation only</i>				
09.30 a.m. -11.00 a.m. Inauguration session: Climate leadership				
11.00 a.m. - 11.30 a.m. break				
11.30 a.m. - 1.00 p.m. Ballroom B Sustainable financial instruments	11.30 a.m. - 1.00 p.m. Lower Lobby Stage Climate Talks, pt. 1	11.30 a.m. - 1.00 p.m. Ballroom C Circular economy	11.30 a.m. - 1.00 p.m. Conference room 23 Decarbonisation of transportation	11.30 a.m. - 1.00 p.m. Conference room 24 Cities in the time of climate change
1.00 p.m. - 1.45 p.m. break				
1.45 p.m. - 3.00 p.m. Conference room 23 Technologies and innovations for the climate	1.45 p.m. - 3.00 p.m. Lower Lobby Stage Climate Talks, pt. 2	1.45 pm. - 3.00 p.m. Ballroom C Polish energy sector: green revolution or an apocalypse?	1.45 p.m. - 2.30 p.m. Ballroom B Managing supply chains	1.45 p.m. - 3.00 p.m. Conference room 24 Biodiversity and business
			2.30 p.m.- 3.00 p.m. Ballroom B Small and medium enterprises in green transition	
3.00 p.m. - 3.30 p.m. break				
3.30 p.m. - 4.30 p.m. Ballroom C ESG: strategy, practice, reporting	3.30 p.m. - 4.30 p.m. Lower Lobby Stage Climate Talks, pt. 3	3.30 p.m. - 4.30 p.m. Ballroom B Green construction, efficient buildings	3.30 p.m. - 4.30 p.m. Conference room 24 The new, conscious consumer	3.30 p.m. - 4.30 p.m. Conference room 23 Water, climate, Blue Deal
5.45 p.m. Ballroom C ACCOMPANYING EVENT Green Changer – a distinction awards gala of PRE COP				
7.00 p.m. Spodek ACCOMPANYING EVENT A concert titled “Earth 2.0. There was Man”* <i>*ticketed event</i>				
8.30 p.m. Ballroom A ACCOMPANYING EVENT Banquet* <i>*entry by badge: Premium</i>				

3 October 2024				
8.00 a.m. - 9:30 a.m. registration of guests				
8.15 a.m. - 9.30 a.m. Conference room 6 ACCOMPANYING EVENT Formal Breakfast of the Climate Positive Steering Committee* <i>*the event is by invitation only</i>				
09.30 a.m. - 11.00 a.m. Ballroom C Renewable energy sources	09.30 a.m. - 11.00 a.m. Lower Lobby Stage Climate Talks, pt. 4	09.30 a.m. - 11.00 a.m. Conference room 24 Culture and art for climate	09.30 a.m. - 11.00 a.m. Ballroom B Green business, sustainable production	
11.00 a.m. - 11.30 a.m. break				
11.30 a.m. - 1.00 p.m. Conference room 24. Safe and sustainable food	11.30 a.m. - 1.00 p.m. Lower Lobby Stage Climate Talks, pt. 5	11.30 a.m. - 1.00 p.m. Ballroom C Hard to decarbonise	11.30 a.m. - 1.00 p.m. Ballroom B Climate education	11.30 a.m. - 1.00 p.m. Conference room 23 Nuclear power
1.00 p.m. - 1.45 p.m. break				
1.45 p.m. - 3.00 p.m. Ballroom C Greenwashing vs. ethical communication	1.45 p.m. - 3.00 p.m. Lower Lobby Stage Climate Talks, pt. 6	1.45 p.m. - 3.00 p.m. Ballroom B Health vs. pollution	1.45 p.m. - 3.00 p.m. Conference room 25 ACCOMPANYING EVENT Formal Meeting of the UNGC Climate Board* <i>*the event is by invitation only</i>	

2 October 2024 | Day 1 of PRECOP

ACCOMPANYING EVENT

2 October 2024 | 08.15 a.m. - 9.30 a.m. | Conference room 6

"Morning with climate – breakfast, networking, inspirations"

**the event is by invitation only*

2 October 2024 | 9.30 a.m. - 11.00 a.m. | Ballroom CB | on-line transmission | simultaneous interpreting PL|EN

Inauguration session: Climate leadership

The role of leaders in encouraging initiatives for climate. Political and business leaders, representatives of local government, activists and volunteers: examples of various forms of activity. Involvement, responsible leadership, behavioural patterns and their propagation vs. a more effective approach to climate goals. The conditions for a better cross-sectoral and international cooperation. Opportunities for joint action within the incoming 2024 United Nations Climate Change Conference in Baku (COP 29) – how to prepare to utilize them? The role of climate and environmental policy in the agenda of the Polish presidency of the Council of the European Union. Economic transition vs. political, energy and food security.

Opening (7')

- **Wojciech Kuśpik**, CEO of the PTWP Group, Initiator of the European Economic Congress
- **Kamil Wyszowski**, Country Representative, Executive Director, United Nations Global Compact Network Poland
- **Marcin Krupa**, Mayor of Katowice

Speech (7')

- **[video] Nargiz Gurbanova**, Ambassador of the Republic of Azerbaijan to the Republic of Poland

Speech (5')

- **Simon Porter**, Director a.i. Multi-country office Ukraine, UNOPS

Speech (5')

- **[video] Sanda Ojiambo***, Deputy Secretary-General of the United Nations, CEO, UN Global Compact

Speech (5')

- **[video] Niclas Svenningsen**, Manager, Global Climate Action, UNFCCC

Speech (5')

Climate Activists – reading of the statement

- **Szmo Kacprzak**, Activist, Foundation of the Friends of the Youth Climate Strike
- **Julia Nowaczewska**, Young Climate Ambassadors, M-LAB Association

Host:

- **Natalia Rasiewicz**, Editor, PortalSamorządowy.pl, WNP.PL, PulSHR.pl

The following persons have been invited to participate in the session (in alphabetical order):

- **Borys Budka**, Member of Parliament, Chairman of Committee on Industry, Research and Energy (ITRE), Minister of Justice 2015, Minister of State Assets 2023-2024
 - **Marzena Czarnecka**, Minister for Industry
 - **Marcin Korolec**, President, Foundation for the Promotion of Electric Vehicles, President, Green Economy Institute, Minister of the Environment 2011-2013
 - **Grzegorz Lot**, President of the Management Board, TAURON Polska Energia SA
 - **Tomasz Zadroga**, Vice Chairman, Chief Investment Officer, Respect Energy Capital Group
- Moderated by:
- **Aleksandra Helbin**, Journalist, WNP.PL

2 October 2024 | 11.30 a.m. - 1.00 p.m. | Ballroom B | on-line transmission | simultaneous interpreting PL|EN
Sustainable financial instruments

Funding for mitigating climate change must at least triple, if obligations of the Paris Agreement are ever to be performed. The need to develop effective strategies for financing the transition. Searching for innovative means of the allocation of capital that would serve social and environmental aims. The role of the financial sector, regulations, and investors.

The following persons have been invited to participate in the session (in alphabetical order):

- **Krzysztof Dresler**, Vice-President of the Management Board supervising the finance and accounting area, PKO Bank Polski
- **Bartosz Kublik**, President of the Management Board, Bank Ochrony Środowiska SA
- **Piotr Matczuk**, President of the Management Board, Polski Fundusz Rozwoju SA
- **Tomasz Michalak**, Partner, Climate Change Sustainability Services, EY Polska
- **Michał Popiołek**, Managing Director of global and investment banking, mBank SA
- **Marta Postuła**, First Vice-President of the Management Board, Bank Gospodarstwa Krajowego
- **Grzegorz Rabsztyń**, Director of the EIB Group office in Poland, European Investment Bank
- **Jan Szyszko**, State Secretary, Ministry of Funds and Regional Policy

Moderated by:

- **Jerzy Bombczyński**, Counsel, Baker McKenzie

2 October 2024 | 11.30 a.m. - 1.00 p.m. | Lower Lobby Stage | on-line transmission | simultaneous interpreting PL|EN
Climate Talks, pt. 1

11:30 a.m. – 12:00 p.m. (30')

- **Alternative economic systems**

The current economic system faces a challenge of solving the climate crisis. Striving for continuous economic growth in a world of limited resources, increasing emissions, and pressure on the environment. Is a market economy capable of addressing the challenges of the climate crisis? Degrowth, post-growth, an economy of moderation: limiting output and consumption to achieve the goals of sustainable development. Alternative economic systems and their social acceptance in the context of developmental inequality between states. The role of education.

Speech (5')

- **[online] Alla Metelitsa**, Office of the Directorate for Technical Cooperation and Sustainable Industrial Development, United Nations Industrial Development Organisation (UNIDO)

The following persons have been invited to participate in the session (in alphabetical order):

- **Katarzyna Jasikowska**, Member of the Climate Council of the UN Global Compact Network Poland, Co-Editor of the book "The End of the World in Five Past Twelve. The climate-ecological crisis in the voice of many sciences"
- **Bożena Ryszawska**, Member of the Climate Council of the UN Global Compact Network Network

Moderated by:

- **Wiktoria Soszka**, Climate Activists, Extinction Rebellion

12.00 p.m. - 12.15 p.m. (15')

Climate Talks cz. I: The Energy Company and the Developer – cross-sector cooperation as the key to effective decarbonization. The example of the Archicom and Veolia Łódź collaboration

Conversation 1:1

- **Waldemar Olbryk**, President of the Management Board, Archicom, Board Member, FOB
- **Anna Kędziora-Szwagrzak**, President of the Management Board, Director General, Veolia Energia Łódź

12.15 p.m. - 12.30 p.m. (15')

- **Climate Talks pt. 1: The position of the USA in the fight against climate change**

For years, the USA has played the role of global enforcer in the context of security. Does America now want to take a leading position in the fight against climate emissions by investing in green technology and tightening regulations?

Speech:

- **Erin Nickerson**, Consul General of the United States of America in Krakow

2 October, 2024 | 11.30 a.m. - 1.00 p.m. | Ballroom C | on-line transmission | simultaneous interpreting PL|EN **Circular economy**

The concept of circular economy in strategies and operations of companies. Specialist services, know how, the availability of recycles: the approach of business and the market to the concept of circular economy. International policies of circular economy: UN Plastic Treaty, the packaging directive (PPWD). Polish legislation – implementing the Single Use Plastics Directive, EPR, the deposit refund system. Ecological design. The sectors at the forefront of the transition towards a circular economy.

The following persons have been invited to participate in the session (in alphabetical order):

- **Małgorzata Greszta**, Managing Partner, CSR Consulting, GOZ 2030 platform
- **Edyta Urbaniak-Konik**, Member of the Management Board, PreZero Recycling South
- **Joanna Kulczycka**, Member of the Climate Council of the UN Global Compact Network Poland, Manager, Department of Closed-loop Economy, Institute of Mineral and Energy Economy, Polish Academy of Sciences, President of the Board, Cluster of Waste Management and Recycling - National Cluster Key
- **Wiktoria Płocha**, Sustainability Leader, IKEA Retail in Poland
- **Katarzyna Kucisz-Rostoń**, Senior Impact Manager, Mc Donald's Poland
- **Ewelina Szczech-Pietkiewicz**, Head, Department of European Union, Institute for International Economic Policy, College of Global Economics, Warsaw School of Economics
- **Jakub Tyczkowski**, President of the Management Board, REKOPOL Packaging Recovery Organisation SA
- **Konrad Wojnarowski**, Undersecretary of State, Ministry of Funds and Regional Policy
- **Paulina Zadura**, Director, Department of Analyses and Strategies, Polish Agency for Enterprise Development

Moderated by:

- **Kalina Olejniczak**, Editor, portalsamorzadowy.pl

2 October 2024 | 11.30 a.m. - 1.00 p.m. | Conference room 23 | on-line transmission | simultaneous interpreting PL|EN **Decarbonisation of transportation**

All transportation will fall under the Emissions Trading System 2. How are particular branches of the industry preparing for such profound change? Fuels, technologies, innovations, management – what is essential for transportation to become sustainable, at the same time remaining competitive and closing transport divide. Infrastructure for green transportation: solutions, priorities, investments.

The following persons have been invited to participate in the session (in alphabetical order):

- **Halina Brdulak**, Economist, Warsaw School of Economics, Member of the Programme Council at the UN Global Compact Network Poland
- **Jakub Faryś**, President, Polish Automotive Industry Association
- **Tomasz Gasiński**, Partner, Sustainability Central Europe, Deloitte
- **Marcin Korolec**, President, Foundation for the Promotion of Electric Vehicles, President, Green Economy Institute, Minister of the Environment 2011-2013
- **Joanna Lech**, Director, The Centre for EU Transport Projects (CEUTP)
- **Mirostaw Suchoń**, Member of the Polish Parliament, Chairman, Infrastructure Committee
- **Maciej Wroński**, President, Employers' Association Transport and Logistics Poland

Moderated by:

- **Marcin Piasecki**, Editor, Columnist, Rzeczpospolita

2 October 2024 | 11.30 a.m. - 1.00 p.m. | Conference room 24 | on-line transmission | simultaneous interpreting PL|EN **Cities in the time of climate change**

This session will be interpreted simultaneously into PL/EN
Urban processes and decisions in counteracting climate change. Sustainable cities without barriers – introducing a concept. Urbanisation vs. biodiversity. Urban plans of adaptation to climate change. Urban investments vs. sustainable urbanisation. The energy intensity of architecture, sustainable road infrastructure. The role of grey infrastructure in the green transition of cities.

Presentation (10')

„ORLEN for cities” – challenges and examples of city transformation towards sustainability and climate neutrality

- **Stanisław Barański**, Director, Office for Sustainable Development and Transformation, ORLEN SA

The following persons have been invited to participate in the session (in alphabetical order):

- **Stanisław Barański**, Director, Office for Sustainable Development and Transformation, ORLEN SA
- **Henryk Borczyk**, Deputy Chairman of the Board, Upper Silesian and Zagłębie Metropolis
- **Adam Ciszkowski**, President of the Management Board, Union of Polish Local Governments, Mayor of Halinowo

- **Paweł Jaworski**, Director, Department of Climate Change Adaptation and Urban Policy, Ministry of Climate and Environment
 - **Ewa Lipka**, Deputy President, Katowice Special Economic Zone
 - **Jarosław Makowski**, Deputy Mayor of Katowice
 - **Katarzyna Zielonko-Jung**, Member of the Climate Council of the UN Global Compact Network Poland, Architect, Chair of Environmental Design, Gdansk University of Technology, Member of the Association of Polish Architects, The Chamber of Architects of Poland and The Polish Solar Energy Society
- Moderated by:
- **Aneta Kaczmarek**, Publisher, PortalSamorzadowy.pl

2 October 2024 | 1.45 p.m. - 3.00 p.m. | Conference room 23 | on-line transmission | simultaneous interpreting PL|EN **Technologies and innovations for climate**

Could new technologies, innovative products and services in the field of energy, construction, infrastructure, transport and industry bring us closer to net zero emissions? The challenges related to a wide-scale implementation of green technologies. The Jevons paradox: the more effective a solution, the more intense its exploitation and consumption. When will we say “stop”? How to achieve economic growth without damaging the environment? The aim and theory vs. reality and practice.

The following persons have been invited to participate in the session (in alphabetical order):

- **Maciej Grzesiewski**, Head of M&A, ONDE SA
- **Daniel Kiewra**, chief energy and climate expert, Responsible Business Forum, Chapter Zero Poland
- **Maciej Martyniuk**, Manager, Strategy Section, National Centre for Research and Development
- **Hanna Purzyńska**, Director, Materials Research Centre, Łukasiewicz Research Network - Upper Silesian Institute of Technology
- **Robert Rudich**, Energy Atachee, US Embassy
- **Mariusz Ustyjańczuk**, ESG Technology Leader, Deloitte CE, Partner

Moderated by:

- **Sebastian Ogórek**, Head of Economy Department, Gazeta Wyborcza, Head of Editors, Wyborcza.biz

2 October 2024 | 1.45 p.m. - 3.00 p.m. | Lower Lobby Stage | on-line transmission | simultaneous interpreting PL|EN **Climate Talks, pt. 2**

1.45 p.m. – 2.10 p.m. (25')

- **Climate negotiations**

Climate summits – their significance, nature, participants. The course and main stages of climate negotiations. The role performed by particular negotiation groups. The history of climate summits – the experience worth drawing on.

The following persons have been invited to participate in the session (in alphabetical order):

- **Beata Jaczewska**, Director, Department of Economic Cooperation, Ministry of Foreign Affairs
- **Marcin Korolec**, President, Foundation for the Promotion of Electric Vehicles, President, Green Economy Institute, Minister of the Environment 2011-2013
- **Anna Serzysko**, KOBiZE expert, climate negotiator, Team of Polish COP Negotiators, author of the publication ‘International Negotiations under the Climate Convention’

Moderated by:

- **Kalina Olejniczak**, Editor, portalsamorzadowy.pl

2.10 p.m. – 2.35 p.m. (25')

- **War and climate change**

The effect of war on natural habitat on the example of Ukraine. Destroyed infrastructure, toxic spills, fires. The influence of the conflict on natural resources and biodiversity. War vs. the emissions of greenhouse gases. How to protect the environment in conflict zones and prepare for its restoration?

The following persons have been invited to participate in the session (in alphabetical order):

- **Marta Cienkowska**, Undersecretary of State, Ministry of Culture and National Heritage
- **Simon Porter**, Director a.i. Multi-country office Ukraine, UNOPS

Moderated by:

- **Olga Brzezińska**, Deputy Director, Adam Mickiewicz Institute

2.35 p.m. - 3.00 p.m. (25')

- **Climate Talks, pt. 2. The “Earthlings Attack” report – the greatest challenges facing the natural environment**

Video (5')

Earthlings

2:1 conversation

- **Mateusz Galica**, Leader of the “Earthlings Attack!” project, Managing Partner at Lata Dwudzieste
 - **Marta Marczuk**, Member of the “Earthlings Attack!” project, Partner at Lata Dwudzieste
- Moderated by:
- **Julia Grzybowska**, Programme Specialist, UN GCNP

2 October 2024 | 1.45 p.m. - 3.00 p.m. | Ballroom C |  on-line transmission |  simultaneous interpreting PL|EN
Polish energy sector: green revolution or an apocalypse?

A presentation of conclusions and recommendations from the report from UN Global Compact Network Poland titled “Energy Transformation in Poland”. Transformation of the energy sector as a prerequisite for reducing emissions in Polish energy and the economy as a whole. How to accelerate the transformation of the Polish energy sector while the system’s stability? Energy storage and modernization of the electrical grid: needs, necessary investments, regulatory issues, solutions. Concerns surrounding the pace of the change and its social and economic consequences.

Presentation of the report (5')

Energy transformation in Poland

- **Tomasz Czech**, Senior Specialist Climate Positive Programme, UN Global Compact Network Poland

The following persons have been invited to participate in the session (in alphabetical order):

- **Stawomir Czajka**, Partner, Tax Advisory Department, Global Trade Team Leader, EY Polska
- **Aleksandra Lubicz-Posochowska**, Department of Energy Transformation, University of Economics in Katowice
- **Piotr Matczuk**, President of the Management Board, Polski Fundusz Rozwoju SA
- **Stawomir Staszak**, Acting President of the Management Board, Energa SA
- **Krzysztof Surma**, Vice-President of the Management Board for Finance, TAURON Polska Energia SA
- **Tomasz Zadroga**, Member of the Board, Respect Energy Capital Group

Moderated by:

- **Dominika Tarczyńska**, Journalist, „Czysta Polska” Programme, Polsat News

2 October 2024 | 1.45 p.m. - 2.25 p.m. (40') | Ballroom B |  on-line transmission |  simultaneous interpreting PL|EN
Managing supply chains

Emissions from economic entities originating from the supply chain and the potential for their reduction. How can large companies manage the supply chain in order to reduce the carbon footprint of their services and products? The significance of cooperation and communication. Effective management of emissions produced outside of a company. Best practice and standards. Dependence and cooperation. Challenges and benefits.

The following persons have been invited to participate in the session (in alphabetical order):

- **Aleksandra Kędziora**, Senior Sustainability Officer, LPP
- **Magdalena Lejman**, Head of PR & ESG, ROHLIG SUUS Logistics SA
- **Stefan Moritz**, Secretary General, European Entrepreneurs CEA – PME
- **Piotr Siwiec**, Director of Logistics, IKEA Industry
- **Robert Tomanek**, ESG expert, EcoGreen, Rector of the University of Economics in Katowice 2016-2020, Undersecretary of State in the Ministry of Labour and Technology 2020-2021

Moderated by:

- **Halina Brdulak**, Economist, Warsaw School of Economics, member of the Programme Council at the UN Global Compact Network Poland

2 October 2024 | 2.30 p.m. - 3.00 p.m. (30') | Ballroom B |  on-line transmission |  simultaneous interpreting PL|EN
Small and medium enterprises in green transition

Small and medium companies – the driving force of the economy – their potential significance in decarbonization. Educating SMEs and including them in the process of transformation, in the value chain and climate-related projects. How can big companies help, engage with, motivate SMEs? Challenges in collaborating with large companies and providing non-financial data. The role of market mechanisms, partnership, access to financing and know-how.

The following persons have been invited to participate in the session (in alphabetical order):

- **Izabela Banaś**, Deputy Director, Department of Analyses and Strategies, Polish Agency for Enterprise Development
- **Piotr Burcon**, Purchasing Director, MAG
- **Anna Gorączka**, Expert, ESG Manager, Allegro Group
- **Stefan Moritz**, Secretary General, European Entrepreneurs CEA – PME
- **Marek Szczepański**, Director, Environmental Programmes Department, Bank for Environmental Protection

Moderated by:

- **Hubert Bigdowski**, Journalist, WNP.PL

2 October 2024 | 1.45 p.m. - 3.00 p.m. | Conference room 24 | on-line transmission | simultaneous interpreting PL|EN **Biodiversity and business**

The influence of business on the environment and biodiversity – a subject gaining on popularity, almost as important as the impact of business on climate. Legislation requires companies to increase awareness on matters related to natural resources. The numerous guidelines and systems for reporting. The effectiveness of initiatives undertaken by business – the risk of being accused of greenwashing. How to compensate for, and minimise, one's impact on the environment? Off-sets and insets.

The following persons have been invited to participate in the session (in alphabetical order):

- **Jerzy Fijas**, Deputy Director General for Sustainable Forest Management, Directorate General of State Forests
 - **Arkadiusz Kamiński**, Executive Director for Environment, Orlen SA
 - **Michał Okuń**, Manager, Sustainability Consulting, Deloitte
 - **Mirostaw Proppé**, President of the Board, WWF Poland Foundation
 - **Piotr Skubała**, Institute of Biology, Biotechnology and Environmental Protection, University of Silesia in Katowice, Climate Council Member, UN Global Compact Network Poland
 - **Katarzyna Teter**, ESG Manager, Respect Energy Capital Group
- Moderated by:
- **Olga Letycja Długokęcka**, Journalist, Business for Climate Foundation

2 October 2024 | 3.30 p.m. - 4.30 p.m. | Ballroom C | on-line transmission | simultaneous interpreting PL|EN **ESG: strategy, practice, reporting**

First companies have become subject to the recently enacted Corporate Sustainability Reporting Directive. Hence, more and more businesses have defined bold climate goals and begin to report on their achievement. What is the progress of the companies that have been implementing ESG strategies? What challenges do they face in reporting? IT tools helping companies in systemizing the reporting process. The perspective of SMEs.

The following persons have been invited to participate in the session (in alphabetical order):

- **Magdalena Andrejczuk**, Director, Corporate Banking Sustainable Finance Department, mBank SA
 - **Weronika Czaplewska**, VicePresident of the Management Board, Envilry
 - **Aleksandra Stanek-Kowalczyk**, Consulting Sustainability Leader, Partner, EY Polska
 - **Beata Tylman-Nowakowska**, Director, Primary Market Department, Warsaw Stock Exchange
 - **Mariusz Wawer**, Director of Government Affairs and ESG for Eastern Europe Region, 3M
 - **Fabrizio Zucca**, Green Assist Expert, CINEA (European Climate, Infrastructure and Environment Executive Agency)
- Moderated by:
- **Karolina Markowska**, Journalist, PulsHR.pl, WNP.PL, PortalSamorzadowy.pl

2 October 2024 | 3.30 p.m. - 4.30 p.m. | Lower Lobby Stage | on-line transmission | simultaneous interpreting PL|EN **Climate Talks, pt. 3**

3.30 p.m. – 3.50 p.m. (20')

- **The 2030 Agenda – where are we?**

The SDG Stocktake – how are we progressing? Which of the goals are we close to achieving? What parts of our performance need improving?

The following persons have been invited to participate in the session (in alphabetical order):

- **Anna Kornecka**, Secretary of State, Ministry of Development, Labour and Technology 2020-2021, President, ESG Impact Network
 - **Jerzy Kwieciński**, Minister of Investment and Development 2018-2019, Minister of Finance 2019, Member of the Programme Council at the UN Global Compact Network Poland
 - **Andrzej Losor**, Board Member, Górażdże Cement SA, Heidelberg Materials Poland
 - **Konrad Wojnarowski**, Undersecretary of State, Ministry of Funds and Regional Policy
- Moderated by:
- **Adam Sierak**, Editor, WNP.PL

3.50 p.m. – 4.10 p.m.

- **The future of the European Green Deal**

The European Green Deal – the foundation of the transition that aims to achieve climate neutrality by 2050 – is five years old. Multilevel collaboration: from governments through the private sector to civil society. The final shape, goals, and implementation tools of the Green Deal. Do they require revision under new conditions?

The following persons have been invited to participate in the session (in alphabetical order):

- **Rafał Komarewicz**, member of Polish Parliament, Polska 2050, Vice-Chairman of the Parliamentary Committee on Energy, Climate and National Assets

- **Stanisław Lamczyk**, Member of the Polish Parliament
- **[online] Jadwiga Wiśniewska**, Member of the European Parliament, The Committee on the Environment, Public Health and Food Safety

Moderated by:

- **Adam Sierak**, Editor, WNP.PL

4.10 p.m. - 4.30 p.m. (20')

- **Climate Talks, pt. 3 Damage to the environment**

Crimes against the environment. The analysis of violations of environmental legislation, the liability of perpetrators for damage caused. Recommended amendments to legislation and suggested remedies. Damage to the environment as an international problem.

1:1 conversation

- **Adam Bodnar**, the Minister of Justice of the Republic of Poland

Moderated by:

- **Leszek Jażdżewski**, Initiator, Chief Editor at "LIBERTÉ!", Co-Founder of the Freedom Games

2 October 2024 | 3.30 p.m. - 4.30 p.m. | Ballroom B | on-line transmission | simultaneous interpreting PL|EN **Green construction, efficient buildings**

Construction with minimal environment and climate impact. How to design sustainable buildings? Low-emission materials, heating, cooling, technologies, and services. The energy efficiency of buildings as a means of reducing emissions. The role of thermal modernization – norms and regulations, needs, funds and technologies. Passive buildings, smart buildings, and recyclable buildings. Energy consumers versus transformation of the sector: could it deepen social inequalities? The phenomenon of energy poverty. How to prevent it? Green energy in a building: investments and costs, supportive and protective measures.

The following persons have been invited to participate in the session (in alphabetical order):

- **Piotr Bartkiewicz**, Faculty of Building Installations, Hydrotechnology and Environmental Engineering, Warsaw
- **Justyna Glusman**, Deputy Mayor, Ochota District of the City of Warsaw
- **Agnieszka Kalinowska-Sottys**, President of the Management Board, Association of Polish Architects in 2022-2024, architect, partner, member of the management board, APA Wojciechowski
- **Tomasz Konior**, Architect, Owner, Konior Studio
- **Waldemar Olbryk**, President of the Management Board, Archicom, Board Member, FOB
- **Wojciech Racięcki**, Director, Innovative Programme Management Development Department, National Centre for Research and Development
- **Jan Wróblewski**, Condo Pioneer in Poland, Founder, Zdrojowa Invest & Hotels

Moderated by::

- **Grażyna Kuryłto**, Journalist, PropertyNews.pl

2 October 2024 | 3.30 p.m. - 4.30 p.m. | Conference room 24 | on-line transmission | simultaneous interpreting PL|EN **The new, conscious consumer**

Who is the sustainable consumer? What motivates them? What are their drives, criteria of choice? What purchasing models do they embrace? Sustainable brands, goods, and packaging – their reception by the market, information, trust, certificates, greenwashing. How to effectively change consumer behaviour? The role of business versus consumer awareness – what should companies prioritize in this sector?

The following persons have been invited to participate in the session (in alphabetical order):

- **Agata Czachórska**, Sustainable Development Director, IKEA Retail in Poland
- **Andrey Ivanov**, Head of Roma Inclusion Sector, Equality, Roma and Social Rights Unit
- **Katarzyna Kucisz-Rostoń**, Senior Impact Manager, McDonald's Poland
- **Agnieszka Oleksyn-Wajda**, Expert, UN Global Compact Network Poland, Director, Institute for Sustainable Development and Environment, Lazarski University
- **Katarzyna Zalewska**, Head of Sustainability Expertise, Kantar Polska SA

Moderated by:

- **Edyta Kochlewska**, Editor-in-Chief, dlahandlu.pl

2 October 2024 | 3.30 p.m. - 4.30 p.m. | Conference room 23 | on-line transmission | simultaneous interpreting PL|EN **Water, climate, Blue Deal**

The role of water in adapting to climate change, its impact on people and ecosystems. The European Blue Deal. How can water help us counteract climate change? Blue-green infrastructure. Water and water retention in urban adaptation plans. The role of peat bogs and marshes in preventing drought. Let nature do its work – nature-based solutions.

The following persons have been invited to participate in the session (in alphabetical order):

- **Piotr Bednarek**, Chairman of the Management Board, Podkarpackie Naturefriends' Association Free Rivers
 - **Ilona Biedroń**, Expert on Surface Water Restoration, Institute of Meteorology and Water Management, President, Healthy River Foundation
 - **Agnieszka Hobot**, Initiator, Water Matters, CEO, Pectore-Eco Sp. z o.o.
 - **Michał Purol**, Development Director, UNEP/GRID-Warszawa
 - **Urszula Sadowska-Maksym**, Executive Director for Operations, DHI Polska
- Moderated by:
- **Daniel Petryczkiewicz**, Photographer, Blogger, Activist

ACCOMPANYING EVENT

2 October 2024 | 5.45 p.m. | Ballroom C | simultaneous interpreting PL|EN

Green Changer – a distinction awards gala of PRECOP

Held in the form of a competition, it is a project of distinctions of the PRECOP conference named "Green Changer" aimed at raising public awareness, spreading knowledge and promoting good behaviour, experience and practices. At the gala, awards will be presented to persons, institutions and authors of projects. The honorary awards will be in recognition of activities promoting initiatives for climate and sustainable development, as well as undertakings, projects and ideas yielding quantitative and practical benefits to the environment and environment protection.

Host:

- **Natalia Rasiewicz**, Editor, PortalSamorzadowy.pl, WNP.PL, PulsHR.pl

ACCOMPANYING EVENT

2 October 2024 | 7.00 p.m. | Spodek

A concert titled "Earth 2.0. There was Man"*

An exceptional intermedia musical event planned to take place on the second day of October 2024 at 7.00 p.m. in the iconic Spodek entertainment venue in Katowice. Presented by one of the hottest emerging acts of the Polish music scene in 2024 – the duo Matylda/Łukaszewicz. The concert will be an artistic interpretation of the biggest contemporary challenges.

2 października 2024 r. | 8.30 p.m. | Ballroom A

Banquet*

**entry by badge: Premium*

3 October 2024 | Day 2 of PRECOP

ACCOMPANYING EVENT

3 October 2024 | 8.15 a.m. - 9.30 a.m. | Conference room 6

Formal Breakfast of the Climate Positive Steering Committee*

Business breakfast by the UN Global Compact Network Poland will serve as a platform for discussing the role and strategy of the United Nations Global Compact within the UN as well as the action of the UN Global Network Poland aimed at alleviating the consequences of climate change.

**the event is by invitation only*

3 October 2024 | 9.30 a.m. - 11.00 a.m. | Ballroom C | on-line transmission | simultaneous interpreting PL|EN

Renewable energy sources

Renewable energy sources (RES) in the national energy mix – today and tomorrow. Their significance in the transformation of the sector, impact on emission reduction. The potential of RES, investments, technologies. What sources of renewable energy should we develop and why? Climate goals, energy security and sovereignty, weather-dependent sources of energy, their price and availability – how to marry all that?

The following persons have been invited to participate in the session (in alphabetical order):

- **Monika Bryl**, Vice President of the Management Board, Katowickie Inwestycje SA, Katowicki Klaster Energii
- **Piotr Czopek**, Regulatory Affairs Director, Polish Wind Energy Association
- **Gabriela Lenartowicz**, Member of the Polish Parliament
- **Mitosz Motyka**, Undersecretary of State, Ministry of Climate and Environment
- **Tomasz Niewola**, Director, Structured Finance and Mezzanine Department, mBank SA, President of the Board, mInvestment Banking SA
- **Paweł Przybylski**, President of the Management Board, ONDE SA

- **Jennifer Tyldesley**, Minister Counsellor for Economic Affairs, Embassy of the United Kingdom of Great Britain and Northern Ireland
 - **Grzegorz Wiśniewski**, CEO, EC BREC Institute for Renewable Energy Sp. z o.o.
- Moderated by:
- **Anita Dmitruczuk**, Head of the Energy Team, Dziennik Gazeta Prawna

3 October 2024 | 9.30 a.m. - 11.00 a.m. | Lowe Lobby Stage |  on-line transmission |  simultaneous interpreting PL|EN
Climate Talks, pt. 4

9.30 a.m. – 10.00 a.m. (30')

- **Social inequality in the face of climate change**

The impact of global climate change effects on the situation of women. Desertification, obstacles in access to drinking water and other phenomena affecting living conditions – especially in the Global South. Minorities and marginalized social groups in the face of the advancing effects of climate change. The voice of women in the fight for climate action.

The following persons have been invited to participate in the session (in alphabetical order):

- **Katarzyna Jasikowska**, Member of the Climate Council of the UN Global Compact Network Poland, Co-Editor of the book "The End of the World in Five Past Twelve. The climate-ecological crisis in the voice of many sciences"
- **Monika Rosa**, Member of the Polish Parliament
- **Paulina Sobiesiak-Penszko**, Director of the Sustainable Development and Climate Policy Programme, Senior Analyst, Institute of Public Affairs, Initiator of the 'Women in Poland for Climate' Project

Moderated by:

- **Marzena Cypryjańska-Nezlek**, Head, Centre for Climate Action and Social Transformation, Department of Psychology, Warsaw School of Social Sciences and Humanities, Member of the Climate Council of the UN Global Compact Network Poland

10.00 a.m. – 10.30 a.m. (30')

- **Activism**

Climate activists and their role in averting a climate disaster. Climate depression – how to fight it? The role of activists in climate summits. Dialogue, cooperation and establishing partnership with activists.

The following persons have been invited to participate in the session (in alphabetical order):

- **[online] Johnny Dabrowski**, Consultant and Coordinator of the Climate Education Coalition, Earthday.org
- **Szmo Kacprzak**, Activist, Foundation of the Friends of the Youth Climate Strike (Młodzieżowy Strajk Klimatyczny)
- **Wojciech Stangierski**, Activist, Youth Climate Council
- **Marzena Wichniarz**, Mother, Activist, Co-Organiser, President, Parents for Climate (Rodzice dla Klimatu)

Moderated by:

- **Marzena Cypryjańska-Nezlek**, Head, Centre for Climate Action and Social Transformation, Department of Psychology, Warsaw School of Social Sciences and Humanities, Member of the Climate Council of the UN Global Compact Network Poland

10.30 a.m. – 11.00 a.m. (30')

- **Partnership for climate**

The significance of partnership and international cooperation in the face of global challenges posed by climate change. Advantages of cross-sectoral cooperation (science, business, NGOs and civil society). How to foster cooperation between various stakeholders – best practices, potential obstacles. Examples of successful partnerships for sustainable development and an analysis of the factors that have contributed to their success.

The following persons have been invited to participate in the session (in alphabetical order):

- **Michał Kurtyka**, Minister of Climate and Environment 2019-2021
- **Simon Porter**, Director a.i. Multi-country office Ukraine, UNOPS
- **Hanna Zdanowska**, Mayor of Łódź, Ambassador of the Climate Pact, Member of the Committee on the Environment, Climate Change and Energy, Member of the Green Deal Working Group, European Committee of the Regions

Moderated by:

- **Małgorzata Greszta**, Managing Partner, CSR Consulting, GOZ 2030 Platform

3 October 2024 | 9.30 a.m. - 11.00 a.m. | Conference room 24 |  on-line transmission |  simultaneous interpreting PL|EN
Culture and art for climate

Artists involved in efforts for the benefit of the Earth, environment, climate. Their motivation and emotion, possible audience influence. Responsibility, solidarity and social utility versus ideas and artistic effects.

Speech (5')

- **Diana Lelonek**, Artist, Curator, Rajmund Ziemiński Foundation

The following persons have been invited to participate in the session (in alphabetical order):

- **Maciej Biskupski**, Deputy Mayor of Katowice
- **Marta Cienkowska**, Undersecretary of State, Ministry of Culture and National Heritage
- **Grzegorz Hańderek**, Rector, Academy of Fine Arts and Design Katowice
- **Diana Lelonek**, Artist, Curator, Rajmund Ziemiński Foundation
- **Robert Piaskowski**, Director, National Centre of Culture
- **Natalia Przybysz**, Polish Singer, Songwriter, Member, ZPAV Phonographic Academy
- **Wojciech Siudmak**, Artist, Painter, Sculptor
- **Katarzyna Ziemska**, CEO, TESTA Communications

Moderated by:

- **Agnieszka Zaręba**, Economic Journalist, Radio Zet

3 October 2024 | 9.30 a.m. - 11.00 a.m. | Ballroom B | on-line transmission | simultaneous interpreting PL|EN **Green business, sustainable production**

Companies on the path to sustainability and a circular economy. Requirements and motivations, possibilities and the pace of changes. Production aligned with the Green Deal: competitively, efficiently, and with zero emissions. Green strategies of companies: variety of undertaken actions, consistency, effectiveness, transparency, cooperation, benefits.

The following persons have been invited to participate in the session (in alphabetical order):

- **Julia Patorska**, Partner, Leader of the Sustainable Development Team in Poland and Central Europe, Deloitte
- **Ewelina Szczech-Pietkiewicz**, Head, Department of the European Union, Institute for International Economic Policy, College of Global Economics, Warsaw School of Economics
- **Dariusz Urbańczyk**, Strategic Account Manager, Respect Energy
- **Mariusz Wawer**, Director of Government Affairs and ESG for Eastern Europe Region, 3M

Moderated by:

- **Piotr Myszor**, Editor, WNP.pl

3 October 2024 | 11.30 a.m. - 1.00 p.m. | Conference room 24 | on-line transmission | simultaneous interpreting PL|EN **Safe and sustainable food**

How is agriculture, food production and models of consumption supposed to change so that humanity can be fed without harming the environment? Sustainable food – how to reduce emissions throughout the food supply chain. Green technologies and innovations for agriculture and animal husbandry. Regenerative agriculture: biologization and biodiversity. Agriculture of the future in cities (vertical farming). Legislation and financing: Common Agricultural Policy UE 2023-2027 vs. the European Green Deal and the “Farm to Fork” strategy – the assumptions, conditions, challenges.

The following persons have been invited to participate in the session (in alphabetical order):

- **Anna Danylczenko**, Founder, Ground Up - Grunt od Nowa Foundation
- **Andrzej Gantner**, Vice-President of the Board, General Director, Polish Federation of Food Manufacturers Employers Association
- **Marcin Hydzik**, President, Association of Polish Milk Processors
- **Paulina Kaczmarek**, Head of Sustainable Development Team, Danone Group
- **Paulina Sobiesiak-Penszko**, Director of the Sustainable Development and Climate Policy Programme, Senior Analyst, Institute of Public Affairs, initiator of the ‘Women in Poland for Climate’ project
- **Krzysztof Stańkowski**, MSO Manager, PepsiCo Polska

Moderated by:

- **Adam Tubilewicz**, Deputy Editor-in-Chief, portalspozywczy.pl

3 October 2024 | 11.30 a.m. - 1.00 p.m. | Lower Lobby Stage | on-line transmission | simultaneous interpreting PL|EN **Climate Talks, pt. 5**

11.30 a.m. – 12.00 p.m. (30')

- **Sustainable fashion**

Slow fashion and sustainable fashion vs. ultra-fast fashion. Waste management and extended producer responsibility in the fashion industry. Right to repair, zero waste, upcycling, sharing economy and other trends concerning the use of clothing – the opinion of producers. Green technologies and fabrics in the fashion industry.

The following persons have been invited to participate in the session (in alphabetical order):

- **Kamilla Budnik**, Head of Sustainability, CCC Group
- **Ewa Janczukowicz-Cichosz**, Sustainability Expert, LPP

- **Karolina Mulhern**, ESG Manager, VIVE Textile Recycling
 - **Agnieszka Oleksyn-Wajda**, Expert, UN Global Compact Network Poland, director, Institute for Sustainable Development and Environment, Lazarski University
 - **Katarzyna Zajęczkowska**, Author of the podcast and book 'Responsible Fashion', Odpowiedzialnamoda.pl
- Moderated by:
- **Aleksandra Nagel**, Editor-in-Chief, Well.pl

12.00 p.m. – 12.20 p.m. (20')

- **Packaging**

Packaging that is least harmful to the environment. Paper, recycled plastic or glass – advantages and disadvantages. Packaging of the future. Traceability and labelling. What information should packaging contain to provide the consumer with all necessary information without creating mistrust?

Conversation 2:1

- **Michał Mikołajczyk**, Proxy, Sales and Marketing Director, REKOPOL Organizacja Odzysku Opakowań SA
- Moderated by:
- **Donata Chruściel**, Editor, Portalspozywczy.pl

12.20-12.40 (20')

- **We're playing green - eco solutions at the ICC and Spodek facilities**

Conversation 1:1

- **Marcin Stolarz**, President of the Management Board, PTWP Event Center Sp. z o.o.
- Moderated by:
- **Natalia Rasiewicz**, redaktor, PortalSamorządowy.pl, WNP.PL, PulsHR.pl

12.40-13.00 (20')

- **Rewitalizacja krajobrazów powęglowych**

Presentation

- **Alexey Alekseenko**, Head of Resource Nexus Laboratory for Post-Mining Inclusive Transition, United Nations University, Institute for Integrated Management of Material Fluxes and of Resources (UNU-FLORES)

3 October 2024 | 11.30 a.m. - 1.00 p.m. | Ballroom C | on-line transmission | simultaneous interpreting PL|EN **Hard to decarbonise**

Electrification, as a means of decarbonisation, might not be the best option for some industries. Smelting, the cement industry and other industries are hard to decarbonise, as they are no mature/effective zero-emission technologies that could serve them. What technologies could be adopted by these industries in the short-term perspective?

The following persons have been invited to participate in the session (in alphabetical order):

- **Michał Jarczyński**, President of the Management Board, General Director, ARCTIC PAPER SA
- **Wojciech Koszuta**, General Director, Member of the Board, ArcelorMittal Poland
- **Michał Kurtyka**, Minister for Climate and Environment 2019-2021
- **Andrzej Losor**, Member of the Management Board, Górażdże Cement SA, Heidelberg Materials Polska
- **Mirostaw Motyka**, Chairman of the Board, Steel Chamber of Commerce and Industry
- **[online] Fiona Skinner**, Industrial Decarbonisation Initiative, United Nations Industrial Development Organisation (UNIDO)

Moderated by:

- **Piotr Myszor**, Editor, WNP.pl

3 October 2024 | 11.30 a.m. - 1.00 p.m. | Ballroom B | on-line transmission | simultaneous interpreting PL|EN **Climate education**

The status of climate education in school. How to educate people on climate – not only in school and not only the youth. How do companies educate their staff? What system tools are needed for better climate education? School and administration, parents and friends, or the media (social, too) – whose influence is the most significant? How to counteract disinformation?

The following persons have been invited to participate in the session (in alphabetical order):

- **Julia Grzybowska**, Programme Specialist, UN GCNP
- **Katarzyna Młynek**, Deputy Programme Director for Education and Science Communication, Copernicus Science Centre in Warsaw
- **Joanna Mucha**, Secretary of State, Ministry of National Education
- **Blanka Romanowska**, Director, Department of Infrastructure and Environment, Upper Silesian and Zagłębie Metropolis
- **Tomasz Rożek**, Founder, President, Nauka. To lubię Foundation

- **Joanna Świerzyńska**, CEO, Deloitte Poland, Deloitte Managing Partner in Poland, Baltic States and Ukraine
- **Hanna Zdanowska**, Mayor of Łódź, Ambassador of the Climate Pact, Member of the Committee on the Environment, Climate Change and Energy, Member of the Green Deal Working Group, European Committee of the Regions

Moderated by:

- **Patryk Strzałkowski**, Journalist, Gazeta.pl, Zielona.Gazeta.pl

3 October 2024 | 11.30 a.m. - 1.00 p.m. | Conference room 23 | on-line transmission | simultaneous interpreting PL|EN **Nuclear power**

Polish Atom: its role in the transformation of the energy sector and decarbonisation of the Polish economy. Independence from high-emission energy resources while maintaining energy security. Nuclear power versus the further development of renewable energy sources. What challenges does nuclear power pose? What lessons could nuclear-powered countries teach Poland? The consequences of Poland's delayed nuclear programme: how to make sure that further delays are avoided? Nuclear technologies vs. security: the problem of nuclear waste disposal.

The following persons have been invited to participate in the session (in alphabetical order):

- **Tomasz Bury**, Head, Laboratory of Nuclear Technology, Silesian University of Technology
- **Aline des Cloizeaux**, Director, Nuclear Energy Division, International Atomic Energy Agency
- **Maciej Nowicki**, Minister of the Environment 2007-2010, Laureate of Der Deutsche Umweltpreis, Chairman, COP14
- **Joanna Smolik**, Director, Strategic Relations Department, Bank Gospodarstwa Krajowego

Moderated by:

- **Aleksandra Helbin**, Editor, WNP.PL

3 October 2024 | 1.45 p.m. - 3.0 p.m. | Ballroom C | on-line transmission | simultaneous interpreting PL|EN **Greenwashing vs. ethical communication**

What is it now and what will greenwashing be in 2026? The "Green claims" directive. Different types of greenwashing. How to avoid being accused of greenwashing? Ethical communication in a company. How to communicate on matters related to climate and the environment?

The following persons have been invited to participate in the session (in alphabetical order):

- **[online] Agnieszka Bacińska**, CEO, Walk PR
- **Agata Krząstek**, Head of Operation, Envirly
- **Dominika Lenkowska-Piechocka**, President and Founder, Who will save the planet
- **Barbara Skuła-Dąbek**, Director, Strategic Partnerships Department, WWF Poland Foundation
- **Agnieszka Szymecka-Wesołowska**, Partner, Co-founder, Centre for Food and Product Law

Moderated by:

- **Kalina Olejniczak**, Editor, portalsamorzadowy.pl

3 October 2024 | 1.45 p.m. - 3.00 p.m. | Lower Lobby Stage | on-line transmission | simultaneous interpreting PL|EN **Climate Talks, pt. 6**

1.45 p.m. – 2.15 p.m. (30')

- **Space for climate**

The role of space technologies in monitoring rapid climate change and identifying the ensuing threats. Space agencies contributing to the fight against climate change.

The following persons have been invited to participate in the session (in alphabetical order):

- **[online] Nikola Bukowiecka**, PhD student, University of Rhode Island, Board Member, Polish Astrobiology Society, Member, UN Global Compact Network Poland
- **Tomasz Rożek**, Founder, President, Nauka. To lubię Foundation

Moderacja:

- **Hubert Kijek**, Journalist and Science Populariser, TVN24 Bis

3 October 2024 | 1.45 p.m. - 3.00 p.m. | Ballroom B | on-line transmission | simultaneous interpreting PL|EN **Health vs. pollution**

Smog is not everything – the problem of noise and light pollution. How do they affect the safety and quality of life in cities and the health of their populations? Climate change vs. the intensity of pollution. Who is to blame? How to minimize it? The activity of local government and organisations; education.

The following persons have been invited to participate in the session (in alphabetical order):

- **Anna Gołębicka**, Economist, Strategist, Plenipotentiary of the Chairman of the Board for communication of key brand projects, Upper Silesian and Zagłębie Metropolis

- **Piotr Kleczkowski**, Member of the Climate Council of the UN Global Compact Network Poland, Author of the book Smog in Poland, AGH University of Science and Technology in Krakow, Expert of the Research Executive Agency of the European Commission
 - **Anna Kołton**, H. Kołłątaj University of Agriculture in Kraków, member of the Light Pollution Think Tank
 - **Katarzyna Szajbe**, Head of Department for Contracting of Services in Primary Health Care and Preventive Health Programmes, NFZ Silesian Voivodeship Branch
 - **Joanna Węgrzynowska**, ESG Manager, LuxMed sp. z o.o.
 - **Tomasz J. Wilczyński**, President, BFirst.Tech
- Moderated by:
- **Klara Klinger**, Editor-in-Chief, Rynek Zdrowia

ACCOMPANYING EVENT

3 October 2024 | 1.15 p.m. - 2.15 p.m. | Conference room 25

Formal Meeting of the UNGC Climate Board*

Established in November 2021, the Climate Board at the UNGC is a group of experts representing various Polish scientific and academic centres and branches of knowledge. The Climate Board produces recommendations related to climate change. The meeting of the Board at PRECOP in Katowice will be devoted to the forthcoming climate summit in Baku.

**the event is by invitation only*

** The names of people whose presence we are still explaining*
